

2019-2020 Season

**LAKE NORMAN VOLLEYBALL CLUB
DIG DEEPER**

Dear LKN Volleyball Club Scholarship Applicant:

First, thank you for your interest in growing your game with LKN Volleyball Club, Inc. In an effort to provide opportunities to all athletes, we will continue to offer scholarships to supplement player fees on a need-based level. The total scholarship amount awarded (if eligible) will be credited to your balance as a one-time installment. Determination of scholarship amount is at the discretion of the Scholarship Committee using pre-set criteria and is dependent on total number of applicants and fund availability at the time of decision. Acceptance of need is only good for the current year and cannot be carried over to other seasons.

The scholarship is only valid as a total credit for player fees. Player will receive all benefits included in player fees, which include training, gym time, coaches' fees, and tournament entries. Scholarships cannot be used for outside travel expenses incurred, which includes Stay to Play travel or lodging. *Please note that any player who fails to pay their remaining balance (outside of scholarship award) or to fulfill their full team commitment and travel obligations will forfeit the scholarship awarded and be responsible for the season dues in their entirety. Failure to pay the dues in full at the required due date will result in immediate submission of a player's FULL balance to our partner collection agency.*

To apply, please complete the below application which will require input from both the parent(s)/guardian(s) as well as the player.

All applications should be submitted **prior to tryouts no later than October 15, 2019** to katie.cook@lknvolleyball.com as a single email with applicable documentation attached. Once received, your application will be presented to the Scholarship Committee for a decision. **Players in consideration for a scholarship are still required to pay a minimum 25% deposit by signing night or will forfeit their scholarship eligibility.** You will be notified on or around December 1, 2019 in writing if you are awarded a scholarship. Please note that all information submitted in your scholarship application will remain strictly confidential and will not be shared with coaches or outside of the scholarship committee.

Thank you for your commitment to LKN Volleyball Club. We truly are excited to provide this opportunity to our athletes and look forward to continuing to train your daughter through our program.

Kind regards,

Al Arrington, President

8. ESSAY RESPONSE

We're sure each of you has a story surrounding why you chose LKN, but the underlying message we hear year after year from our coaches and families is because **LKN CARES**. We are unique in our approach because we have developed a culture that uses volleyball training to promote character and leadership in our athletes. We love that platform and to build upon that concept, we use the letters in "CARES" to articulate the characteristics of our culture that will be foundational in who we are. ***Please take a moment to explain which of these characteristics means the most to you as a volleyball teammate on the court and why. Then describe which characteristic you would most like to personally develop this 2019-20 season.***

(Please note: if you have previously applied for a scholarship with LKN and written this essay; we encourage you to choose a new characteristic to develop and to think about how you will grow in a new way this season on the volleyball court mentally, physically, or emotionally).
